Hi Paul,

I am extremely strapped for time - but I did a quick check of the total credits. Total Uniform Re-establishment credits are approx. 105, and total preservation-only credits are approx. 837, across all phases and areas of the bank. But really they are only working on Phase 1 (Areas A and E) of the bank for a number of years, so they only have the max of ~80 credits for U-RE credits and 475 PO credits for some time.

Thanks,
Shannon

Subject: [EXTERNAL] Petersen Ranch Question

Hi Shannon,

Hope all is well with you and 404 land. I'm working on a quote for the Regional Board's press release for Petersen Ranch and wanted to reference the number of acres that will be enhanced and preserved for 404. Sarvy provided the numbers below. They don't need to be exact as I will round, but close would be good. I have a pretty quick turnaround on this so if you could get back to me soon, I'd really appreciate it,

Thanks!

Paul

404 re-establishment/enhancement: 355 acres = 105 re-establishment credits
404 Preservation: 837 acres = 837 Preservation Credits
